

user sessions exceed license: Access denied

The following warning message : **user sessions exceed license: Access denied** appears when you try to login with the same user simultaneously on the Free version of NetYCE or when you have a NetYCE license for only one user account. Is this not the case for you ? Then make sure that you have inserted the correct NetYCE license file including the header containing # symbols.

Example license file

```
# netYCE license file
#
# Customer name: Genesis
# Licensee: NetYCE Genesis
# Issue date: 20200415
# Expiry date: 20300131
# Status: Evaluation
# Version: 7
